"Pupils now make strong progress across a range of subjects"

"The school is harmonious and happy"

"The environment in early years is rich. Teachers provide children with a range of interesting experiences that capture their imaginations"

We have a rich curriculum and the children experience many different activities with visiting authors, explorers and sports professionals.

We offer breakfast and after school clubs and have a range of extra-curricular clubs both before and after school.

We welcome the opportunity to show you around.

We currently have spaces in both the school and nursery.
